

Year 7 Homework (2)

Name	Workshop Safety
Group	Safety Picture
Date	

1. There are many unsafe practices shown in the workshop picture. Describe as many as you can.

2. Describe the only type of foot ware permitted in a workshop.

3. How should wood be held if it is to be sawn, planed or chiseled?

4. When you have finished with a tool, where should it be placed?

5. How many people are allowed to operate a machine at one time?

6. If you have long hair and intend using a machine, what should you do?

7. When using a chisel or a craft knife, where should both of your hands be?

8. If you suspect that a tool is damaged or unsatisfactory to use, what must be done?
