

## Year 7 Homework (23)

<b>Name</b>	<b>Hand Graphics</b>
<b>Group</b>	<b>Sketching and Control 1</b>
<b>Date</b>	

1. Freehand sketching is done by working lightly with an HB pencil. Freehand drawing or sketching is a quick way of getting an idea down onto paper, using a ruler etc would slow the process down.

a) Practice by joining the vertical dots freehand.

b) Join the dots with freehand horizontal lines.

2. Now draw the following shapes freehand - square, triangle, circle and an ellipse.
