9.28 Body Adornment project – Themes

All designers look for inspiration outside of their normal environment. They look to other cultures and back through history for ideas. However they do not copy these designs, they change and adapt them to be suitable for their customers and to make them modern.

Possible sources of inspiration to research are...

- Africa
- Chinese
- Indian
- Gaelic (Welsh, Irish, Scottish etc.)
- South American

- Art Deco
- Art Nouveau
- 60s
- 70s
- Cavemen
- Victorian

TASK

Produce at least 6 sketches gaining inspiration from a variety of culture and eras. Sketches must be clearly labelled to show where you have researched different cultures and eras.

Use the rest of this page and the reverse if necessary.
